Tournament Play

The theme for the week's play is GOOD SPORTSMANSHIP. The bottom line is that we are here to watch our children play a game, so please enjoy the games for what they are and let the participants do the same. Good sportsmanship is expected and required from all in attendance.

Since rain is always a possibility, there may be times when games have to be delayed or rescheduled. Hopefully, the weather will be favorable, but should it not cooperate every reasonable effort will be made to complete the State Tournament on time. The Tournament Director has the authority to waive rules and make exceptions to get the tournament completed. In the event your game is cancelled or rescheduled, make sure you get the word from your District Director or the Tournament Director.
